This is the 80th application for interim compensation for services that has been filed with the Bankruptcy Court by Woodcock. The first 26 applications (covering the monthly periods January 2003 through February 2005) were limited to fees and expenses in connection with a specific matter, now settled, for which Applicant had been retained as special litigation counsel. On April 15, 2005, based on a motion made by Debtor on February 11, 2005, the Bankruptcy Court entered an order authorizing Woodcock to provide further services to Debtor in ordinary course in the field of intellectual property. This is the 54th monthly application that includes such ordinary course fees and expenses.
